

Dear friends,

*I bring you greetings from HealthServe Australia*

Our thoughts and prayers are for those of you who have suffered at this time of flood and fire. At the same time, it has been heartening to see so many Aussies share of their time and abilities so readily in giving a helping hand to those in need. Seeing the compassion of so many other people has truly made me feel proud to be an Australian.

I have heard from a number of you that there were some problems in the transmission of the last newsletter sent out in November, so I am forwarding this again to you as an attachment.

In addition, **the annual public report for the year 2009-2010 is now available** to read and download from our web site, or we can post it to you from our new office on the Central Coast. (The former of course is better for our budget if you are able to do that easily).

Please note that Brenda in the office located in Terrigal at the Uniting Church there, has now taken over all the HSA office administration from Marilyn at Eastwood.

Our HSA office address is now

PO Box 3032 Erina 2250 NSW with Phone / Fax: 02 4385 2298 and

Email [office@healthserve.org.au](mailto:office@healthserve.org.au)

Brenda, who does voluntary work, is usually in the office on Tuesdays and Wednesdays

If you are receiving this by post, it means we do not have an email address for you. If you have an email and are happy for us to send messages to you by email in the future, please let us know your email address as that would help us financially.

As I write, I am about to enter hospital for a spinal fusion on Monday 24<sup>th</sup>. I will be on leave for 3 months but look forward hopefully to a new lease of life after that.

In the meantime, thank you for your ongoing support of the work of HealthServe Australia and you may continue with donations via the web site or by mail to our office.

May God bless you. Yours in Christian fellowship,

*Clifford Smith*

Executive Officer, HealthServe Australia

If you do not wish to receive further letters from Healthserve Australia, please write to the office manager at the above address.
